

Sacramento County Development and Surveyor Services Announces Electronic Submittal of Improvement Plans (eSIPs)

Now you have another choice in submitting your improvement plans! Choose either the Internet or compact disc.* It's safe, fast, and efficient – at no additional cost!

Together, we're speeding up the improvement plan review process.

You can expect significant savings in time and money and realize the following benefits:

- Secure submission of electronic plans using the internet or by mail
- Instant submittal and distribution of plans to reviewing parties
- Significant cost savings on printing and multiple reproductions
- Reduction of vehicle trips to County offices
- Conservation of paper use, reduction in paper waste
- Wait times for reviewer comments shortened

For complete information and how to submit improvement plans visit:

www.eSIPs.saccounty.net

Your eSIPs contact is Tony Santiago at 874-7093.

*Hard copy plan submittals will still be accepted.
